

La Cave
Fine French Wine & Gourmet Products

Bonjour,

With temperatures reaching the mid twenties, rosé and light French wines are perfect to relax before dinner. If you have not tried yet our unique French Lager Beer made in the North of France, or our selection of other French & Belgium beers, we have just received a shipment last week of the popular ones.

If you do not know much about French rosés, Beer or Cider, why not join us tomorrow (Thursday 9th) for our food & wine tasting and try many different products in a friendly atmosphere. There are still few spaces left, but you need to book first by calling us.

With Valentine's day next Tuesday, it is time to surprise your loved one with a special present.

A dinner in 'tête a tête' with a nice bottle of wine, some gourmet foods and delicious Swiss chocolate will certainly make you popular. You could surprise him or her by preparing a special meal using some of our high quality ingredients or coming to grab some readymade one elaborated by French Chefs. Or Fresh croissants, pains au chocolat, or French bread always makes a nice start of the day.

We also have a selection of Hampers (see below for details) for Valentine's Day, or you can make your own.

French Cheeses, Italian Gelato & Sorbet, Swiss or Belgium chocolates are popular items at this time of year....

If you prefer to give something that will last, we have many gifts to choose from, like Traditional Provencal Tablecloth, Le Creuset Casseroles, Laguiole cutlery, German crystal glasses, French pictures, cook books... .

Please note that we have many specials in store, like Emile Henri ceramic pots (15% to 25% of a selected range), Invento range of Crystal Swiezel wine glasses, Wine Carafes, Paella pans...

We hope to see you soon,

A bientot,

Raphael & Team at La Cave.

Emile Henri Casseroles & Tagines:

Founded in 1850, and located in Marcigny, a small town in the province of Burgundy, France, Emile Henry has established a worldwide reputation for manufacturing the finest quality ceramic ovenware, gourmet cooking products, and bakeware products. Still owned and operated by the Henry family, the company today manufactures all of their new cooking products from Burgundy clay using their proprietary Ceradon® state-of-the-art manufacturing process.

Burgundy is noted for world-famous wines that are grown in the mineral-rich limestone soils of the region. Imparting fantastic terroir in the wines, it is these soils and clays that go into the special clay cookware-crafting formulas that are the basis of all Emile Henry ceramic cookware and other products.

Worldwide, professional chefs and home cooks appreciate Emile Henry for the many products and shapes that are properly designed for cooking and baking.

We have a selected range of their cookware on special, like the Azure Tajine, soufflé dishes and many more.

Schoot Zwiesel glassware: 20% off the Invento

"The glass for professionals. Unparalleled brilliance with just the right amount of weight and balance. Schott Zwiesel glassware with Tritan® crystal has an exceptionally hard surface that is resistant to scratching and dishwasher corrosion".

We have a special on the Invento range. We stock also the Classico and Diva Range, but you can order via us any of their products imported in NZ.

Provencal Tablecloth: Buy one and get 25% off the second one.

We have a large selection of Provencal Tablecloth made in France. Whether you like the Provencal colourful cotton, the one "protected" or coated, the Jacquard cotton, we have them in stock.
